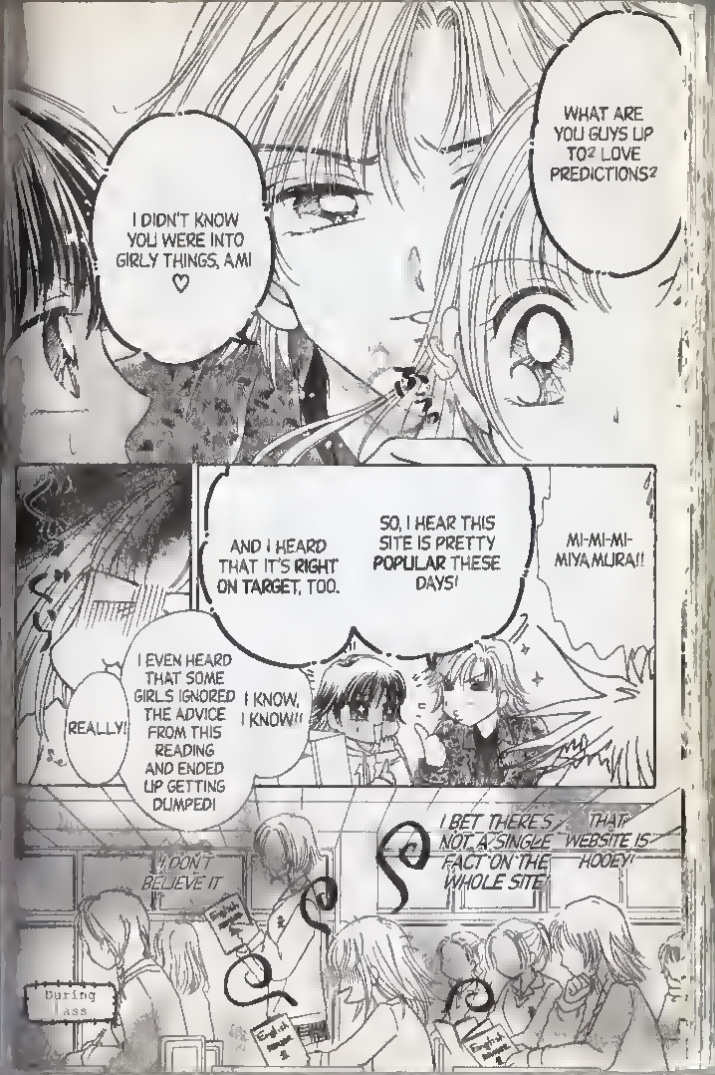
FROM AKIMOTO

Hello! Akimoto here. I hope you are enjoying *Ultra Cute* Volume Two. I know it's sudden, but it seems like the first signs of spring are here. What signs, you ask? Well, hay fever, for one--and I've got it! I'm not positive, but I'd say chances are pretty high that hay fever's what I've got so a big shout out to all my fellow hay fever sufferers out there!

Noooo!!

Blah! It's so hard to concentrate on my work (and it's so not funny)! I have a hard time dressing up, too. Anyhow, this spring of the year 2000 has been bad for me. I want to go out and find something fun to do, but unfortunately I've been pretty tied up with work, so I haven't had any chance to do so. Pollen is everywhere, too--so I'm doubly stuck at home! So anyhow, I'm hooked on internet shopping and animal prints, lately. I love tiger print the most!! (And especially anything in mint condition.) I had started collecting all these little things and handbags, and was being all happy about it when my friend goes, "Because you are a **monster**, you love **monster stuff**! Tigers aren't monsters!!" (Did I just totally change the subject?)



I DIDN'T KNOW YOU WERE INTO GIRLY THINGS, AMI ♡
WHAT ARE YOU GUYS UP TO? LOVE PREDICTIONS?
AND I HEARD THAT IT'S RIGHT ON TARGET, TOO.
SO, I HEAR THIS SITE IS PRETTY POPULAR THESE DAYS!
MI-MI-MI-MIYAMURA!!
REALLY!
I EVEN HEARD THAT SOME GIRLS IGNORED THE ADVICE FROM THIS READING AND ENDED UP GETTING DUMPED!
I KNOW, I KNOW!!
I DON'T BELIEVE IT
I BET THERE'S NOT A SINGLE FACT ON THE WHOLE SITE
THAT WEBSITE IS HOOEY!
